The diagram is a technical cross-section of a manhole assembly. It shows a central rectangular opening surrounded by multiple layers of concrete and reinforcement. The components are labeled as follows: AR-01, AR-02, AR-03, KP-02, AP-03, SR-04, SR-05, SR-05A, D1, D2, D3, D4, and a concrete slab (podsyпка z piasku 20cm). The diagram illustrates the vertical arrangement and relative positions of these elements, showing how they fit together to form the manhole structure.
